AMENDMENT AND RESPONSE AFTER FINAL REJECTION

This is in response to the Final Rejection mailed February 26, 2008, and is being filed on the three-month due date inasmuch as May 26 was a Federal Holiday.

Please amend the above-identified application as follows. As noted in the Remarks, these claim amendments are believed to overcome the remaining grounds for rejection and/or place the claims in better condition for appeal. Inasmuch no search or significant effort by the Examiner should be needed to consider these amendments, entry thereof after Final rejection is believed to be appropriate and is respectfully requested.

The Examiner's attention is directed to the Terminal Disclaimers submitted herewith with respect to each of Applications No. 10/507,163 and No. 10/507,081, which are discussed further below.

Amendments to the Claims begin on page 2 of this paper.
